

PRODUCT SPECIFICATION

Product:	Sunflower oil unrefined (Crude) first grade
Ingredients:	100% Pure Sunflower Oil
Manufacturer's name and address:	Ukraine. On request SF TRADE LTD
Place of manufacture:	Ukraine
Type containers:	Unpacked
Primary packaging:	Not applicable
Secondary packaging:	Not applicable
Shelf life:	12 months from the date of bottling, if stored in a dark indoor area within the recommended temperature from 0°C to 30°C.
Regulatory reference:	Quality of the product is in compliance with requirements of DSTU 4492 "Sunflower Oil Specifications" (Ukrainian national standards)
Application purpose:	For processing

SENSORY CHARACTERISTICS

Transparency:	Allowed the presence of "grid" over sediment
Taste & Smell:	Inherent of sunflower oil without bitterness

NUTRITIONAL CHARACTERISTICS PER 100g

Nutritional (food) value	99,85g
Energy value (calories)	3757 kJ (898 kcal)

PHYSICAL AND CHEMICAL PROPERTIES

Color number mg iodine	14
Acid number KON/g	1,68
Peroxide number ½ O mmol / kg	3,05
Mass fraction of phosphorus-containing substances in terms of stearooleoletsytyn %	0,236
Mass fraction of moisture and volatile matter %	0,07
Mass fraction of unfatte impurities %	0,03
Mass fraction of benzo (a) pyrene mkg/kg	1
